

Kitty Litter Cake

Fun cake that looks gross but tastes good.

Sent by Linda Nelund from KidsKuisine.com. You will need a new, clean litter box and pooper scooper for this cake.

Kids love the gross factor of this cake.

Quantity	Ingredients	Preparation Notes
1 - 18 oz box	Spice or German Cake Mix	• Prepare cake mixes and bake according to directions in any size pans. Cool when baked.
1 - 18 oz box	White Cake Mix	• Prepare pudding mix according to directions and chill
1 pkg	White Sandwich Cookies	• Crumble white sandwich cookies in small batches in blender. They will stick so scrape often.
1 lg Box	Vanilla Instant Pudding Mix	• Set aside all but 1/4 C of cookie crumbs.
12 sm	Tootsie Rolls	• Add a few drops of green food coloring to the 1/4 C of cookie crumbs and mix together using a fork or shake in a jar.
	Green Food Coloring	• Crumble baked cakes into a large bowl
		• Toss crumbled cake with half of remaining cookie crumbs
		• Add chilled pudding a bit at a time. Use only enough of the pudding to make cake moist not soggy.
		• Put mixture in litter box
		• Put three unwrapped tootsie rolls on a microwave safe dish and heat until soft and pliable.
		• Shape ends so that they are no longer blunt but curving slightly.
		• Repeat with three more tootsie rolls, partially burying them in the mixture
		• Sprinkle most other half of cookie crumbs on top
		• Scatter green cookie crumbs over the top to look like green specks in the litter.
		• Heat remaining tootsie rolls, three at a time in the microwave until almost melted. Scrape them on top of cake and sprinkle with cookie crumbs arranging one or two over the edge.
		• Place box on newspaper and sprinkle a few more cookie crumbs on newspaper
		• Serve with new pooper scooper.
